Letter from E.C.Wood Esq., I.C.S., Collector, Bellary, Ref.A5 No.125/38 dated 21-2-38.

Famine - Relief works - Sirigeri-Karur Road.

I find that workers are coming from north and east of Karur. It is, therefore, desirable to prolong the work beyond Karur towards Holagondi. Moreover the work on the Hebbatam -Holagondi road is nearing completion and arrangements must be made to anticipate this. I propose, therefore

therefore, that work on the road from Sirigeri through Karur, Holagondi, Hebbatam to Danapuram on the Alur-Adoni road should be sanctioned. It will not be necessary at present, to add to the number of charges on this account and two charges will be able to manage the work for some time unless the number of workers rapidly increases.

2. For the road between Karur and Holagondi there is at present no estimate. I am arranging to have one prepared. There is an estimate for the road from Hebbatam to Danapuram, and it will shortly be sanctioned. I reques the Board may be pleased to approve.

Copy to the Executive Engineer, Bellary.

Reference:

In the circumstances stated by the Collector, the Board approves the proposals contained in paragraph 1 of his letter read above.

2. The Collector is requested to send the A-1 statements in respect of the two new sections, now proposed to be taken up, for approval and inclusion in the Famine Relief programme.
